Professional Automotive Detailing Products

# Trans-Mate™

## WE MAKE YOU SHINE

At Trans-Mate we take pride in helping professional automotive detailing and reconditioning operations produce superior-looking cars at a low cost per car. Trans-Mate detailing chemicals and paint care products are engineered for high performance and low cost-in-use. Our in-house technical team at our 40,000 sq ft state-of-the-art manufacturing facility is constantly working to produce the most advanced formulas on the market today, so you know that you are purchasing the highest quality products.

We offer a complete line of car wash soaps, all purpose cleaners and degreasers, exterior and interior dressings, wheel cleaners, professional paint care products, Enviro-Mate earth-friendly products and much more, for exterior and interior detailing and reconditioning.

Our mission at Trans-Mate is to provide you with quality detailing chemicals and paint care products to help you be profitable and create satisfied repeat customers to grow your business!

We offer a complete line of earth-friendly products, indicated by the “Enviro-Mate” logo, which are:

- Made with biodegradable detergents and emulsifiers
- Free of slower biodegrading detergents such as NPEO and APEO
- Contain no phosphate, chlorine, hydrofluoric acid or ammonium bifluoride
- VOC compliant
